Commissioner for Patents

ATTN: Examiner M. Lee, Art Unit 2622

P.O. Box 1450

Alexandria, Virginia 22313-1450

Commissioner or Examiner Lee:

Regarding patent application number 10/820,268 filed 4/8/04, and in response to Examiner M. Lee's communication dated mailed 06/04/2009, I am providing the attached information which includes an argument and remarks pointing out disagreements with the examiner's contentions. The attached information also includes a discussion of the references applied against the claims, explaining how the claims avoid the references or distinguishes them.

A copy of the Corrected Amendments to Claims reflecting the argument and remarks is also attached.

Thank you.
